Dr. Scott McCormick

Langley Orchestra Director

Dr. Scott McCormick (a.k.a. “Doc” to his students) received his D.M.A. from Indiana University Bloomington in Music Performance and Literature (Viola). He is in his 22nd year of teaching at Langley High School and is honored to have received Langley’s Outstanding Teacher of the Year Award in 2018. He is also an Adjunct Professor at Patrick Henry College in Purcellville where he directs the Chamber Orchestra, Harp Ensemble and teaches Applied Strings. He is also a core member of the Washington Bach Consort, the area’s premiere Baroque orchestra and chorus.

Doc lives on a small rural property in Western Loudoun County with his wife, Rebekah, and their children, Norah and Hugh, (affectionately known as the Doclings). Other residents of Doc’s homestead include a Chocolate Lab, a Siamese cat, a family of hummingbirds, and an award-winning flock of heritage breed chickens. His hens have won the Grand Champion prize at the Loudoun County Fair Poultry Show for the past two years: the most recent winner, a Wheaten Maran pullet named Lupine, performs a variety of tricks -- including playing the xylophone.

NO DONATION IS TOO SMALL!

Thank you to our outgoing LOS Board members!

As the school year comes to a close, I would like to take a moment to thank a few amazing volunteers who have given so much to our program. They will be missed, but never forgotten. - Doc

If a picture can be worth a thousand words, it is hard to imagine how many **Rania Razek** contributed over her time as the LOS photographer. She lovingly captured so many artful images of our students in action on their journeys with the Langley Orchestra. Tonight's playbill is a testament to the diligence and creativity she has contributed through her photography.

It's hard to believe that **Kimberly McPherson** was only with us for two years since she contributed so much to our orchestra community during this time. She headed up orchestra hospitality and turned our musical performances into highly anticipated cultural events. Her entire family modeled the spirit of service, with even her youngest children volunteering in the food line at the banquets. This family will be greatly missed, but we wish them best of luck in their next international adventure.

Words cannot describe the impact that **Jen Dzwonczyk** has made on our orchestra community. Although her official title was orchestra treasurer, her role actually included a number of other positions including webmaster, communications, sponsorship, trip planning, and concert logistics. Her tireless and efficient work behind the scenes was an inspiration to us all.
