

Langley HS Orchestra 2025-2026 Sponsorship

Parent sponsorships serve as the primary fundraiser for the Langley Orchestra and are optional. Funds help make our concerts possible and enrich the orchestra experience for our students and families by paying for the following (among other things):

- Sheet music and performance rights
- Concert programs and recordings
- Instrument purchase and repair
- Sectional coaches
- Professional accompanists for concerts
- Concert hospitality

Langley Orchestra Society ("LOS") sponsors are recognized in Concert Programs throughout the year in the categories listed below, and sponsor names are published on the Langley Orchestra website.
